

Ku-ring-gai Community Workshop “The Shed”

Member Accreditation

Chisel Morticing Machine

Accreditation
Code

W9

This document applies to: Carbatec Morticer

The key features of the chisel mortiser must be understood and clearly evident during competency assessment. Safe operation of the chisel mortiser must also be demonstrated.

Recognition of the main parts of the chisel mortiser is necessary in order to understand descriptions below.

This procedure must be read in conjunction with the Shed’s Safety Induction Package.

Assessment Reference:
