## SHED EXTENSION All Systems Go !!!

Following a meeting with Council by the Project Team comprising of Kevin Callinan, Stephen Lloyd, Mike Schwarz (Malcolm Bailey overseas) and with the DA approved, it is now full steam ahead.

Hence the team is looking for volunteers to assist with the ground works and drainage. This will involve some elbow grease, a possible welcome exercise. So we are calling on Members for:

- Building retaining walls
- Digging and cleaning out trenches
- Erecting temporary fencing and tree protection

Work is anticipated to start in approximately two week's time.

Please register your availability in the Meeting Room register.

Looking forward to have you on our team to build our much needed extension and enjoy the journey with us.

## Parking Restrictions

Members please note: there will be new parking arrangements from Monday, 5th June 2017, to assist in setting out the work site.
