

Kushed Bulletin

Special issue

Welcome back to the Shed from Monday 11 January 2021

Happy New Year to all our members. The year gone by has been a challenge, and the new year is bringing on more challenges.

Unfortunately, the dreaded COVID virus is still doing the rounds with a number of infections that are difficult to trace. In the interest of the safety and health of our members, many of whom are in the vulnerable age group, we need to re-enforce the wearing of face masks, distancing and hand hygiene.

- Facemasks must be worn everywhere in our Shed apart from eating and drinking.
- It is vital that you book a place in the Shed using the Eventbrite booking system to manage the number of people.
- Clean tools and surfaces with alcohol wipes
- Numbers in the lunch room must now be strictly kept to a maximum of 10.
- Members wishing to make sure they can eat in there with their mates can now book a first or second sitting on the form beside the \$3 sign-on book in the lunch room.
- There is alternative seating at the outdoor picnic tables.
- Ensure you sign in and out of the contact tracing book when arriving and leaving the Shed.

Your cooperation is essential in the interest of our members

Tony Varrall & Brian Killin, Joint Presidents
